Our Services

Asset Fleet

- Dedicated fleet
- Superior, on-time service
- State-of-the-art equipment
- Competitively priced transportation services
- Team, solo, and local service
- Satellite tracking and communication
- Over 400 Leggett & Platt tractors and over 1,000 trailers

Truckload

- Dry van – flatbed – refrigerated
- Flexible solutions, from single truckload to entire supply chain
- 24/7 personal commitment
- Track and trace shipments online
- Assist shippers with private fleets to get better use of their capacities

Intermodal

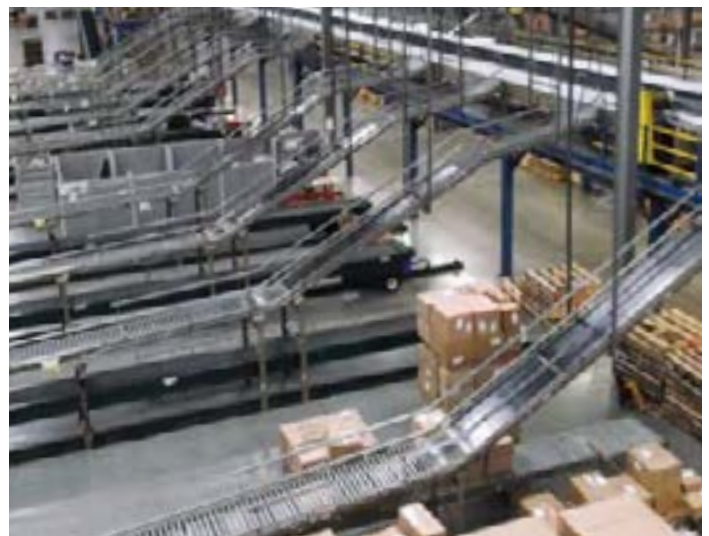

- Competitive and consistent pricing
- Committed capacity and modal alternatives to fit your needs
- Flexibility for short-term needs and volume surges – single point of contact and easy conversion of shipments between truck and rail
- Dynamic exception management technology identifies gaps in service expectations

LTL

- Full service throughout North America
- Best combination of price and service
- Tracking from origin to destination via Oracle Transportation Management TMS
- Customizable reports
- LTL and consolidation options for dry van, temperature-controlled, flatbed shipments
- Volume LTL capabilities available

Other Services

- Expedited services
- Warehousing with two state-of-the-art, company owned and operated distribution centers in Southern California
- Additional capacity throughout U.S.
- Over 1 million square feet
- Highly automated fulfillment operation

Ask us how we can help you save on shipping – join the L&P Shippers Association.

The L&P Shippers Association is a not-for-profit, full-container shippers' co-op that can offer you lower rates due to the amount of full container volume we ship annually.
